Re: Letter of Recommendation for Mr. Randy Mason

To Whom This May Concern:

It is with great honor that I write this letter of recommendation on behalf of Mr. Randy Mason for his fantastic work done to secure our newly expanded wing for AmeriClerkships Medical Society.

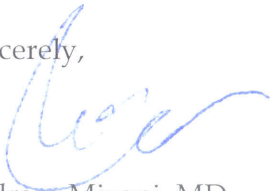

Mr. Mason has certainly proven to be a finely tuned individual, as evidenced by his dedication to us as his client, and attention he pays to details. He demonstrated a superior understanding of team concept, which showed when confronted with difficult situations with the Irvine Company and CBRE, requiring working with others to reach a satisfactory resolution.

Mr. Randy Mason has always displayed a high degree of integrity, not only within the confines of our business relationship, but also with other members of my company. He is direct and honest with a confidence level that is hard to match.

I have the greatest confidence in his maturity, insights, and ability to succeed in any commercial real estate venture. Randy is an outstanding man of promise and of personal integrity. I am delighted to be able to recommend him so strongly and unreservedly.

Please do not hesitate to contact me with any questions that you might have.

Sincerely,
