Dear Randy,

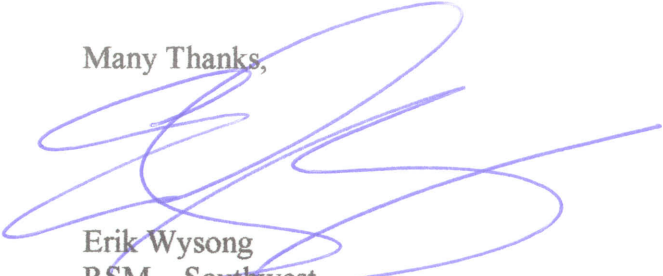

I wanted to take a moment and let you know how much I appreciated the job you have done with the relocation process for my office.

I would also like to say to you it was a breathe of fresh air to deal with someone that actually does what they say they are going to do, and follow through to completion without worry. You went well above and beyond to help with all my questions and concerns. Your attention to detail, during the lease negotiations, constant contact by phone or in person was also very much appreciated.

From both Steve Mussmacher, Sr. VP of Operations, Nu Horizons and myself would like to sincerely say "Thank you!" You have represented yourself, your company and ours in the most professional manner, and made the process not only successful for all but also enjoyable.

Please don not hesitate to call me at any time to act as a reference, or if someone wants to speak to a satisfied client.

Many Thanks,

Erik Wysong
